

Leaves of Absence and Accommodations

What is the process?

Exelixis has partnered with The Larkin Company to provide expert guidance and support for employees going on a leave of absence or for employees with a qualified disability needing a reasonable accommodation. The Larkin Company administers and helps manage the accommodation process to identify options for employees to consider. If you need a leave of absence for any of the reasons listed on the right or a reasonable accommodation, please contact The Larkin Company. Exelixis' dedicated leave administrator will walk you through the process.
