

FIELD TRIP CAMPS ARE NOW AVAILABLE THROUGH BACK-UP CARE

**NEW Bright Horizons
Field Trip Camps**
STAFFED BY STEVE & KATE'S

Book a full-day adventure with your back-up care benefit.

When school is out, so are we. Out and about, hitting all of the hotspots around town.

Every city has cool places and experiences for kids, but who has the time and energy to plan those adventures? That's why we've curated the perfect days for kids through Field Trip Camps.

This spring, kids can spend the day exploring your town's best spots—adventure parks, museums, hikes, wildlife exhibits, and more. Staffed by our friends at Steve & Kate's Camp, counselors will even take the kiddos to lunch. All while you're at work.
