

## **Natural Disaster**

## Preparedness Checklist

Preparing for a natural disaster is crucial for the safety of you and your loved ones. Taking proactive steps ahead of time can make all the difference when an emergency strikes. By getting organized now, you'll be better equipped to face any situation with confidence and clarity. Use the checklist below to start building your disaster preparedness plan.

	Document and inventory your home and assets:	Gather and protect essential documents:
	☐ Take photos or videos of rooms and valuable items	☐ Make copies of IDs, insurance policies, medical records, and legal documents
	☐ Keep receipts or appraisals for major assets (e.g., electronics, jewelry, appliances)	☐ Store originals and copies in a waterproof, portable container
	☐ Note serial numbers and model information for high-value items	□ Back up digital files and store them securely online or on an external drive
	☐ Store your inventory with your emergency documents	☐ Include a printed list of critical phone numbers
	Build and practice your family emergency plan:	Create a reliable emergency contact list:
ру		
ру	<ul><li>emergency plan:</li><li>Identify evacuation routes and nearboard</li></ul>	contact list:  ☐ Include immediate family, close friends,
)y	<ul><li>emergency plan:</li><li>Identify evacuation routes and nearby shelters</li><li>Assign roles to family members for</li></ul>	<ul><li>contact list:</li><li>☐ Include immediate family, close friends, and neighbors</li><li>☐ Add local emergency services,</li></ul>
	<ul> <li>□ Take photos or videos of rooms and valuable items</li> <li>□ Keep receipts or appraisals for major assets (e.g., electronics, jewelry, appliances)</li> <li>□ Note serial numbers and model</li> </ul>	<ul> <li>Make copies of IDs, insurance policies, medical records, and legal documents</li> <li>Store originals and copies in a waterproof, portable container</li> <li>Back up digital files and store them securely online or on an external drive</li> </ul>
